SPRING INTO NEW CLASSES!

We'll be offering Level 2 Latin dance classes for the first time! Come try Adult Ballet, Tap, Salsa, Bachata, Samba, and Forro!

MEET MISS NICOLE!

My name is Nicole and I am 25 years old. I am originally from San Diego, but recently relocated to Chicago and I absolutely love it. I started dancing when I was two years old and never stopped! After graduating from high school, I went on to dance competitively at San Diego State University for 4 years. In the years following, I danced professionally for the Los Angeles Rams, Chicago Bulls and even had the opportunity to perform at Super Bowl LVI. On top of my own endeavors as a dancer, I have also been teaching dance to kids age 18 months-18 years for over 8 years. Passing my love for dance onto the next generation is my greatest passion and purpose and is something I hope to continue for years to come.

COSTUMES AND T-SHIRTS

COSTUMES

Costumes will be handed out during your student's class once all costumes for the class have been received. This process will begin in early April!

All costumes were ordered as close as possible to the measurements taken by staff the first week of class. However, due to costume availability or potentially incorrect measurements, there is always a chance a costume will not fit. Please reach out to Miss Tiffani if you have concerns about the costume, though minor alterations are the family's responsibility.

T-SHIRTS

T-shirts will be available for sale starting March 11th at the front desk! T-shirts are a fun way to show your McFetridge Dance pride, and to commemorate your student's recital! A proof of the design can be found at the front desk starting next week if you would like to see it before you buy. Final day to buy t-shirts is 3/24!
