MEET MISS WHITNEY

Whitney Turner received a BFA in Musical Theatre and a minor in dance from Millikin University. A Kansas native, she is a currently professional stage performer and has served as a dance captain for several professional productions. She has trained in many styles including ballet, tap, jazz, contemporary, pointe, acro, and musical theatre. She held the title of featured choreographer for Solstice: A Concert of Dance at Millikin University in 2023, as well as the tap tutor for the university. Growing up, she always dreamed of being a dance teacher, and she is so glad she can live out those dreams in her favorite city.

PARENT WATCH WEEK

We are excited to once again be hosting our annual Parent Watch Week here at McFetridge Dance Studio! Families can come into class and observe what students have been learning, connect with teachers, and learn more about the thought process behind our class structure.

Plan to attend your student's entire class the week of **December 9th -15th!** Each student will only be allowed 2 attendees due to limited space in our classrooms. Chairs may not be available for everyone attending.

We understand that this observation class might be difficult if you have other children, however, we must ask that **only** siblings who are small enough (infants) or big enough (teenagers) to sit quietly through the entire class attend. We will open the windows so other siblings can be in the hall with a parent during class.
